Greetings everyone

As you know through your Diocesan representatives and the Autumn edition of MIA MIA; Zone C held their 2<sup>nd</sup> MULO A gathering in January in Brisbane.

To take MULO A forward every member will have heard and learnt more. Let's hope we can all take an active approach in some way, to enable us to connect more within our communities as well as encourage ways to bring the community to us.

Like many Tony and I enjoy watching *Songs of Praise*. A recent segment filmed during an English winter focused on the homeless and those trying to survive the extreme cold when living on the Streets.

Set-up through a Church Op Shop, *Hope Bags* are distributed, especially during winter, to the homeless consisting of tissues, hand sanitizer, beanie, and a foil portable blanket, even the bag is waterproof. Free tea and coffee areas are also available. Feedback was one of gratitude to know others care about them and to learn Jesus loves us all.

Depending on your Geographic's, and like me living in Victoria, the snow and cold weather has hit, but we still have the warmth and comfort of a home with regular hot meals.

In Ballarat Churches have an outdoor wardrobe or area where warm secondhand coats are available to the homeless and those in need.

Whether it be through your Branch, Church or a community organization, if not already, please become involved in some way of helping those who through circumstance, will spend much or all of the winter outside.

*Proverbs 19:17 Whoever is generous to the needy lends to the Lord, and he will reward them for what they have done.*

#### THE GOAL AND CHALLENGE

“To create a greater awareness of God's love for everyone, as well as the work of Anglican Mothers Union Australia not only in our Church but also the broader community, through promotion and development.”

2019 Theme: Listen,  
observe, act - in step  
with God
